

Leadership Minor Advising – Biology 7-year Dental

2.1.25

Two notes:

1. Work with your advisor to see how transfer or AP/IB credits can help you out.
2. We recommend you take the introductory course as soon as you can. Usually, a core course can be delayed and teens, the only “extra” course needed to fulfill the minor is the Leadership Capstone. No course can count twice within the four skill areas listed on the left.

For more information on the Leadership Minor contact Dr. Don at dipaoldo@udmercy.edu or go to the

university website and just search “Leadership Minor.”
